

**Greeters Schedule**  
**St. Mark Orthodox Church**

Thank you for agreeing to greet members of our church family and visitors who join us on Sunday. The experience of a warm smile and a welcoming handshake will serve to remind those entering our sanctuary that we are indeed the Body of Christ.

Just a reminder about your tasks: Remember to wear your name tag which is on the shelf of the podium in the lobby. If there are any visitors please ask them to sign the guest book, offer them a Welcome Packet, and make sure Father Andrew has their names so they can be welcomed at the end of the service. You should also insure that visitors are guided to the Fellowship Hall for Coffee Hour and introduced to others.

The welcoming chair will take care of sending out the follow-up cards, and making sure Father contacts those who have asked for him to call.

Should you for any reason not be able to meet your obligation, just switch off with someone. I think that's the easiest way to handle that predicament. Any questions or thoughts on how to improve the system, please don't hesitate to talk with me, Denise Roddy.
